

# Meet Our Staff

## Denise Mclellan - Front Desk Check Out

Denise will check you out at the end of each visit. She is able to schedule appointments, take payments and answer any billing questions. She is dedicated to helping our patients adhere to their treatment schedule and helping them understand billing. She strives to make Farabaugh Chiropractic Office a place where all patients understand all aspects of their care. Denise is also in charge of working with the Bureau of Workers

*“I love being here for our patients. Not only to keep their visit going smoothly, but to see them improve with each visit”*

## Melinda Collins - Therapy

Melinda has a multitude of responsibilities. Her main responsibility is electric stimulation technician. She also works with all of the insurance companies to confirm coverage and find benefits.

*“I've been with the practice for 12 years and I love working with many different patients and showing that I care about their healing and wellness . I'm also a team player and willing to help out in many areas as needed and will strive to do my best.*

## Baylee Stallard - Front Desk Check In

Baylee is here to make sure you're checked in and seen in a timely manner. She works to optimize the flow of the office and works hard to keep things moving at a rate that is beneficial to your care. She is also available for any questions you may have about a personal injury case.

*“I am very happy to have the opportunity to help our patients in their recovery. I truly want to show our patients this is the right place for their treatment ”*

## Brianna Turner - Rehab Specialist

Brianna specializes in increasing flexibility and core strength. By stabilizing and isolating musculature she safely increases strength and mobility to key areas, which stabilize and absorb shock to the spine preventing further injury and decreasing time

*“I have a passion for expediting recovery for our patients. I take pride in seeing patients gain strength and flexibility, lowering the chance of future injuries”*

## Alex Farabaugh - Patient Advocate

Alex is in charge of all of the marketing in the office. This includes improving the experience of patients in the office. His goal is to make your trip to the office comfortable and relaxing. If there is ever anything that could improve your time with us

*“I am very blessed to work in an office filled with such great people. Working for a cause that I truly believe in. Our office guarantee is not only a guarantee to the patient, it is also a guarantee to the staff and I that we are helping give the best care possible to patients who need it. There is not a better way to work that I know”*

## Catherine Ho - Acupuncture

Catherine Ho uses traditional Chinese medicine to treat modern ailments. Acupuncture is a time-tested World Health Organization– approved treatment that painlessly and efficiently treats a wide variety of conditions

*“I am very glad to work at Farabaugh Chiropractic Office and with its vision of whole health. Please don't hesitate to talk to me about chronic pain, stress, and allergies and what acupuncture can do for you.”*

## Dave Vanscoy - Massage Therapy

Dave works to bring all of his training and many years of experience with him every day, giving his best effort to help all patients that are suffering with stiff and painful muscular and soft tissue conditions related to stress or injury.

*“I believe there is no other office giving patients a better chance of getting relief from musculoskeletal dysfunction they seek than right here at Farabaugh Chiropractic. I feel there could be no greater calling than to have the opportunity to help anyone suffering with painful and stiff muscles or related soft tissue. It is my hearts desire to help you get past your pain so you can be strong, healthy and pain free.*
